

SATELLITE DISH INSTALLATION REQUEST FORM

Owners are allowed to install a satellite dish in compliance with the Tall Firs Satellite Dish Policy.

Please answer the following questions.

- A) Is the satellite dish approximately 39 inches in diameter? Yes _____
No _____
- B) Where will the satellite dish be installed?
- _____ Ground, on a pole, or tripod
_____ Deck Surface
_____ On roof
- C) Where will the wiring from the satellite dish to the unit be run?
D) Where will the wiring for the satellite dish enter the unit? If it is necessary to penetrate the building, check here. _____
- E) Who will install the satellite dish and wiring?
F) Attach a drawing of the location of the satellite dish and all exterior wiring. You must include it with the Request Form.

The undersigned Owner certifies as follows:

- 1) That the information contained in this form, including details of all attachments, is accurate.
- 2) That the Association's Satellite Dish Policy has been reviewed.
- 3) That the installation will not be done until the Request Form has been approved and that it will comply with the Association's Satellite Dish Policy.
- 4) That the Owner will have full responsibility for maintaining and removing the satellite dish.
- 5) That the installation will be done in accordance with all applicable local ordinances, specifically including any electrical code and in accordance with all manufacturer specification.
- 6) That a copy of Owner's HO-6 Insurance Policy is attached.
